

Dear Mrs

Dear Mr

For organisational reasons it is necessary to report to the reception desk 15 minutes before your scheduled appointment.

Please fill in the questionnaire and return it to us in the enclosed envelope so that it reaches us well before your appointment.

Please bring the following with you to your first appointment:

- **Medical insurance card for you and your partner**
- We also require a **valid letter of referral** issued by your gynaecologist for fertility treatment (if you are not privately insured) and a letter of referral for the male partner (if you are not privately insured) issued by your GP or urologist.

Please also bring copies of the following (if available)

- Results of blood tests (hormone values, serology, Rubella (German measles) immune status test
- Results of the last cancer check up (Pap smear test) carried out by your gynaecologist
- Surgery reports (of a gynaecological nature)
- Reports of previous IVF treatment cycles
- diagnostic findings for the male partner

We look forward to welcoming you personally in our practice.

With kind regards

Das Praxis Team
